

ADVICE TO THE PUPILS OF 3èmes .

IN GENERAL

- 1) *You mustn't worry , lose heart and work regularly .*
- 2) *You must become quickly aware of the fact that you are in Seconde , an important form .*
- 3) *You must try and have a clear idea of the field you want to work in later .*
- 4) *You must take everything seriously .*
- 5) *You mustn't take too much advantage of your freedom in high school , so when you have free time , work !*

IN CLASS

- 1) *You mustn't chat while the others are speaking .*
- 2) *You must be able to take notes .*
- 3) *You must mind your pronunciation and enrich your expression .*
- 4) *You must express well and clearly .*
- 5) *You must be polite and calm .*
- 6) *You must be able to master your time when you have a test .*
- 7) *You must be able to correct yourself .*
- 8) *You must be as spontaneous as possible .*

AT HOME

- 1) *You must revise during the summer holidays if you are accepted in seconde and if you think it is going to be hard for you; because all the notions seen in middle school will be used again in high school .*
- 2) *You must get ahead with your homework .*
- 3) *You must learn your lessons regularly .*
- 4) *You should work on your notes again .*
- 5) *You must read some texts out loud .*
- 6) *You must look for the vocabulary you do not understand .*
