DOGS AGGRESSIONS

The scene took place in *Seine-Saint-Denis* in France on Saturday 10th June. A young boy was attacked by dogs.

In the playground, a boy was going for a walk with his parents when a dog came close to them. The dog, a Rottweiler, bit the boy's face. He lost use of his eye. Then, the dog ran with another dog. The Rottweiler was killed.

the ROTTWEILLER

On Wednesday 6th June 2006, a child killed by a bullmastiff that bit his throat in *Cauville-sur-mer (Seine Maritime)*.

On Saturday 9th June 2006 a girl's arm and neck were hurt by a Rottweiler in *Vernon-in-Nancy*. The wound was not too serious, however the dog was killed.

After the aggression, the law was reinforced. If a dog hasn't been declared, then the Préfet can decide to kill it. If a dog is seen without a muffle or without a lead, then the owner of the dog will be fined. Finally if the dog attacks it will be killed.
